 12 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6. (a) Each unit that has  
 13 a volunteer fire department shall procure insurance in the name of and  
 14 for the benefit of each member of the department. However, if a  
 15 contract or agreement exists between a unit and a volunteer fire  
 16 department, the contract or agreement must provide for insurance of  
 17 the volunteer firefighters **and emergency medical services personnel**  
 18 in the department in the amounts and with the coverages required by  
 19 this chapter. Unless the contract or agreement stipulates otherwise, all  
 20 insurance coverage must be under a group plan, rather than in the name  
 21 of each individual firefighter **and member of the emergency medical**  
 22 **services personnel**. Either the unit or the volunteer fire department,  
 23 according to the contractor agreement, may undertake procurement of  
 24 required insurance, but in either case, the costs of coverage must be  
 25 borne by the unit. If a volunteer fire department serves more than one  
 26 (1) unit under a contract or agreement, each unit that the department  
 27 serves shall pay the amount for the insurance coverage determined  
 28 under the following formula:

29 STEP ONE: For each census block or other area in a unit that is  
 30 served by more than one (1) volunteer fire department, divide the  
 31 population of the area by the number of volunteer fire  
 32 departments serving the area, and round the quotient to the  
 33 nearest one thousandth (.001).

34 STEP TWO: Add the quotients determined under STEP ONE for  
 35 the unit.

36 STEP THREE: Determine the sum of the STEP TWO amounts for  
 37 all of the units served by the same volunteer fire department.

38 STEP FOUR: Divide the STEP TWO amount for a unit by the

STEP THREE amount and round the quotient to the nearest one thousandth (.001).

STEP FIVE: Multiply the costs of the insurance coverage for the volunteer fire department by the quotient determined under STEP FOUR, rounded to the nearest dollar.

(b) A diminution of insurance benefits may not occur under this section because of a change in the insurance carrier or a change as to who actually procures the required insurance.

(c) Each unit that has a volunteer fire department may procure an insurance policy for the benefit of auxiliary groups whose members could be injured while assisting the volunteer firefighters **and emergency medical services personnel** in the performance of their duties.

(d) Each unit that has a volunteer fire department may procure an insurance policy or any other type of instrument that provides retirement benefits as an incentive to volunteer firefighters **and emergency medical services personnel** for continued service.

(e) An insurance policy or other instrument containing any of the provisions authorized by subsection (d) may not be considered in the computation of nominal compensation for purposes of this chapter.

(f) A volunteer firefighter **or member of the emergency medical services personnel** who becomes covered by an insurance policy or other instrument containing any of the provisions authorized by subsection (d) does not thereby become eligible for membership in the public employees' retirement fund under IC 5-10.3.

(g) If a unit fails to provide the insurance for a volunteer firefighter **or member of the emergency medical services personnel** that this chapter requires it to provide, and a volunteer firefighter **or member of the emergency medical services personnel** suffers a loss of the type that the insurance would have covered, then the unit shall pay to that volunteer firefighter **or member of the emergency medical services personnel** the same amount of money that the insurance would have paid to ~~him~~: **the volunteer firefighter or member of the emergency medical services personnel**".

Page 1, line 6, after "firefighter" insert "**or member of the emergency medical services personnel**".

Page 1, line 8, after "firefighter" insert "**or member of the emergency medical services personnel**".

Page 1, line 17, after "weeks." insert "**After July 23, 2009, the weekly indemnity may not be less than the Indiana minimum wage computed on the basis of a forty (40) hour week.**".

Page 2, after line 3, begin a new paragraph and insert:

"SECTION 5. IC 36-8-12-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 8. (a) The policy of insurance required by section 6 of this chapter must provide for the payment of a sum not less than one hundred fifty thousand dollars (\$150,000) to the beneficiary, beneficiaries, or estate of a volunteer firefighter **or member of the emergency medical services personnel** if the firefighter **or member of the emergency medical services personnel** dies from an injury or smoke inhalation occurring while in the performance of the firefighter's **or member of the emergency medical services personnel's** duties as a volunteer firefighter **or member of the emergency medical services personnel** or from a cardiac disease event proximately caused within forty-eight (48) hours by or occurring while in the performance of the firefighter's **or member of the emergency medical services personnel's** duties as a volunteer firefighter **or member of the emergency medical services personnel**.

(b) The policy of insurance must provide for the payment of a sum not less than one hundred fifty thousand dollars (\$150,000) to the volunteer firefighter **or member of the emergency medical services personnel** if the firefighter **or member of the emergency medical services personnel** becomes totally and permanently disabled for a continuous period of not less than two hundred sixty (260) weeks as a result of an injury or smoke inhalation occurring in the performance of the firefighter's **or member of the emergency medical services personnel's** duties as a volunteer firefighter **or member of the emergency medical services personnel**.

(c) The policy of insurance must also provide for indemnification to a member of a volunteer fire department who becomes partially and permanently disabled or impaired as a result of an injury or smoke inhalation occurring in the performance of the firefighter's **or member of the emergency medical services personnel's** duties.

(d) For the purposes of this section, partial and permanent disability or impairment shall be indemnified as a percentage factor of a whole person.

The civil liability of a volunteer firefighter **or member of the emergency medical services personnel** for:

(1) an act that is within the scope of a volunteer firefighter's duties; or

(2) the failure to do an act that is within the scope of a volunteer firefighter's duties;

while performing emergency services at the scene of a fire or other emergency or while traveling in an emergency vehicle from the fire station to the scene of the fire or emergency or from the scene of a fire or emergency back to the fire station is limited to the coverage provided by the insurance policy purchased under this subsection. A volunteer firefighter **or member of the emergency medical services personnel** is not liable for punitive damages for any act that is within the scope of a volunteer firefighter's **or member of the emergency medical services personnel's** duties. However, if insurance as required under this subsection is not in effect to provide liability coverage for a volunteer firefighter **or member of the emergency medical services personnel**, the firefighter **or member of the emergency medical services personnel** is not subject to civil liability for an act or a failure to act as described in this subsection.

SECTION 6. IC 36-8-12-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) A:

(1) volunteer firefighter, **a member of the emergency medical services personnel**, or an emergency medical technician working in a volunteer capacity for a volunteer fire department or ambulance company is covered; and

2 (b) If compensability of the injury is an issue, the administrative  
3 procedures of IC 22-3-2 through IC 22-3-6 and IC 22-3-7 shall be used  
4 to determine the issue.

5 (c) This subsection applies to all units, including counties. All  
6 expenses incurred for premiums of the insurance allowed under this  
7 section may be paid from the unit's general fund in the same manner as  
8 other expenses in the unit are paid."
